# THE CAPE HOSPITAL BOARD

## REPORT OF THE CHAIRMAN OF THE BOARD FOR THE YEAR ENDING 31st DECEMBER, 1943.

This statutory meeting of Contributors marks another milestone in the annals of the Board, for it is the thirtieth statutory Annual General Meeting of Contributors, the first having been held in 1914. While one is tempted to delve into the past history of the Board and show how its activities have increased, time and the Paper Controller will not permit. But to give just one example of the vast increase in the Board's work, the expenditure for 1944 compared with 1914 shows an enormous increase. In 1914 the expenditure on Maintenance Account amounted to £73,495, while in 1944 the amount budgeted for is £480,675.

When I became a member of the Board in 1924, the annual expenditure amounted to £79,397, the number of in-patients treated was 6,994, and the number of out-patients 90,000: ten years later these figures had increased as follows—expenditure £135,110; in-patients 13,188; out-patients 252,976: in 1943 the figures were—expenditure £377,535; in-patients 23,464, and out-patients 352,434. From these figures it will be seen that from 1923 to 1943 the expenditure has increased by 475.5%, the number of in-patients by 335.5% and out-patients by 391.6%.

It now falls to me to give you a brief summary of the Board's activities since the last Annual General Meeting.

### GROOTE SCHUUR HOSPITAL:

For various reasons—principally the shortage of trained nurses (5 Sisters and 3 Staff Nurses will be required)—it has not been possible to open up the top floor for the admission of patients: this is much to be regretted, but it is hoped that the additional beds (100) will be available in the not far distant future. The Paying Patients' Block (Groote Schuur Hospital Nursing Home) is still being used to accommodate nurses, but again the hope is expressed that the Block will soon be available for its original purpose as a building is being erected to accommodate the additional nurses engaged. It has been emphasised, however, that this building is merely a temporary expedient, and that the west wing of the Nurses' Home proper, which was not completed at the time the hospital was erected owing to financial reasons, must be completed at the earliest opportunity.

As a result of the proposed opening of the top floor it has been necessary to provide a lecture room for nurses taking their training in the Afrikaans medium—hitherto a ward in the top floor has been used for the purpose. Authority has been received to proceed with the building.

Perhaps one of the most important steps which have been taken in the past year is the introduction (from 1st June, 1943) of the block system of training Probationer Nurses. Under this system the number of nurses trained will be greatly increased. Already additional trainees are in residence, and it is anticipated that a total of 454 nurses could be admitted for training; this will mean that approximately 100 nurses will complete their training annually, and while it is too soon to say that the system is a success, every indication points that way. It is hoped that the system will in due time be extended to the other training schools of the Board, but this may present complications. The advantage of the block system lies in the fact that Probationer Nurses undergo alternate periods of theoretical training and practical work in the wards, thus obviating the necessity for nurses to study at night after a long day in the wards.

### **SOMERSET HOSPITAL :**

During the year various improvements and alterations have been made at this hospital, which is becoming a very important institution. A complete scheme for the development of the hospital has been approved by the Board, and in view of the urgent need for additional accommodation, it is hoped that authority will be given to proceed with the work in the near future.

It is gratifying to record that the S.A. Medical Council agreed to raise the status of the institution to a Class I Training School, with effect from 1st April, 1943. So far, the results of the S.A. Medical Council examinations have been excellent, and prove that non-Europeans have the ability to pass the same examinations as European nurses—this is one of the reasons why I am continually urging that the salaries of non-European nurses should be made comparable with those of European nurses.

The Maternity Section of the hospital is doing very good work, though greatly handicapped by lack of trained nursing staff. The S.A. Medical Council agreed to recognise this section as a training school for midwives from 1st October, 1942.

### **WOODSTOCK HOSPITAL :**

This hospital continues to do excellent work and is greatly appreciated by residents in the neighbourhood. The responsible Committee have had under consideration a number of improvements which it is hoped to carry out in the near future.

### **RONDEBOSCH HOSPITAL :**

There is nothing special to report regarding this Hospital—the work is proceeding smoothly. It has not been possible to carry out any improvements and extensions during the past year, but I hope we will soon be in a position to proceed with the work.

### **WYNBERG HOSPITAL :**

The most important event at this institution, which continues to function smoothly and efficiently, is that the military authorities vacated the Currie Block in November last, as they no longer required the accommodation. These wards were occupied by the military from the early part of 1941, and the D.G.M.S. and other military authorities have expressed their great appreciation and thanks to the Board for granting to them the use of the beds when the need for hospital accommodation for military patients was a very serious problem. The Board have expressed their appreciation to the coloured community in the district for their ready concurrence in the decision to place the Currie Block (non-European wards) at the disposal of the military as a war measure. The non-European community greatly appreciate the fact that this accommodation (72 beds) is again available.

### **FALSE BAY HOSPITAL :**

The work at this hospital is proceeding satisfactorily and efficiently. The only matter of importance is that the Matron (Miss M. McBean) has found it necessary, owing to ill health, to apply to be relieved of her duties before retiring age—she is at present on sick leave, and her retirement will be a sad loss to the institution.

I should like to pay a tribute to the assistance which the False Bay Hospital Association have rendered to the hospital during the past year.

### **PENINSULA MATERNITY HOSPITAL :**

The most urgent requirement at this hospital is the provision of improved accommodation for the nursing staff. This improvement has been a most pressing need for many years and has been postponed owing to financial stringency. I am of the opinion that this is the most urgent matter requiring

the attention of the Board and that nothing should be allowed to stand in the way of providing the nursing staff with suitable quarters. The Board have approved of a scheme for providing the necessary accommodation and the matter has been taken up with the Provincial Administration who, I am sure, if they saw the conditions under which the nurses are housed at present, would readily agree to it.

#### **LADY MICHAELIS ORTHOPAEDIC HOME :**

The shortage of trained nurses with orthopaedic experience has been felt greatly at this institution with the result that the work has been carried out under extreme difficulty. The staff have, however, stood up to the test in a most admirable manner.

#### **PRINCESS ALICE HOME OF RECOVERY :**

The extension of this home has been under consideration for some years past. The late Dr. P. Roux devoted a great deal of time and thought to the type of accommodation which would be most suitable for the treatment of the special type of case treated at this institution, and his death was a great loss to the Committee. His successor (Dr. H. Bell) together with the late Matron (Miss D. Lack) in consultation with a sub-committee gave their time and special knowledge to the development of the scheme (which includes additional accommodation for the staff)—this has been approved by the Board and it is believed will prove exceedingly satisfactory. The complete development scheme has been prepared in such a manner that it can be proceeded with in sections as necessity arises. It was intended to provide, as a first instalment, 120 additional beds, but in view of the high costs of building it may be necessary to reduce this number to 80. There is also a difficulty in regard to drainage, but the City Council have promised their co-operation in the matter : this is very welcome and greatly appreciated, as the extensions cannot be proceeded with until the drainage is provided.

The thanks of the Board are due to the Nuffield Trust, who have given a contribution of £5,000 to the Cape Cripple Care Association on a pound for pound basis towards the cost of the extensions, and also to the Women's Hospital Auxiliary (Princess Alice Home Committee) for their promise of support. The Board provide facilities at the Groote Schuur Hospital, the Princess Alice Home of Recovery and the Lady Michaelis Orthopaedic Home for the training of orthopaedic nurses which is carried out by the Sister-Tutor appointed by the National Council for the Care of Cripples.

#### **EATON CONVALESCENT HOME :**

The Board very much appreciate the action of the Women's Hospital Auxiliary in appointing a Ladies' Committee (Chairman, Mrs. E. Joubert) in connection with the Home.

A scheme for the extension of the Home was prepared some years ago, and a section of the work (comprising a dining and recreation room for non-Europeans) is nearing completion : this will enable the old dining room to be used for patients (ten extra beds) and thus provide additional accommodation which is greatly needed. Every effort will be made to proceed with further extensions to the Home in the near future, for it must be borne in mind that the cost per patient in a Convalescent Home is considerably less than the cost in a hospital, and by transferring as many patients as possible from hospitals to the Home, not only will expenditure be reduced at the hospitals, but the existing pressure on hospital beds will be relieved.

#### **MCGREGOR PREVENTIVE AND CONVALESCENT HOME :**

The work at this institution is proceeding satisfactorily. It has been decided to change the name from "The McGregor Convalescent Home" to the above designation. It is a matter for satisfaction that the clinics are becoming

aware of the value of this institution—the number of children sent by them has greatly increased in the past year. It is very obvious that, apart from economic reasons, it is far better to build up the health of the children, thus obviating the need for hospital treatment.

#### **CAPE TOWN FREE DISPENSARY :**

The work of this institution continues to cope with the great demands made upon it, and the Vasco Free Dispensary is also meeting the need of the population in that area.

Authority has just been received to proceed with the erection of a Free Dispensary at Athlone (Bokmakirie Township), but owing to the delay which has taken place it is anticipated that the building and equipment will now cost at least £2,000, instead of £1,500 as originally estimated.

#### **C.H.B. DISTRICT NURSING ORGANISATION AND SUBSIDISED MID-WIFERY SERVICE :**

Both these Organisations are doing good work, despite the difficulty in staffing the former organisation. Authority was received to increase the number of Subsidised Midwives by two from 1st November, 1943.

#### **HOSPITALS FOR NORTHERN AND SOUTHERN SUBURBS :**

The necessity for the establishment of a hospital for the Northern Suburbs has been stressed for some years past, but was deferred pending the completion of Groote Schuur Hospital. In 1938 a Deputation again waited upon the Board to discuss the matter, but for various reasons, partly owing to the war, the project has not yet been proceeded with. The question was again raised last year by a Deputation (which included the Mayors of Bellville and Goodwood) which waited upon the Board to make further representations in the matter. It is felt that the needs of the residents of this area, which is rapidly expanding, must be met, and that the provision of a hospital in this district cannot long be delayed. The Hospital Planning Committee have now recommended the erection of a Hospital of 120 beds, also a Maternity Hospital of a minimum of 30 beds, and it is hoped that it will be possible to proceed in the near future.

The same position applies to the erection of a Hospital for Europeans (on a site in the Somerset Hospital grounds) approved by the Board to meet the needs of residents in the Green Point, Sea Point and Camps Bay area. This matter has previously been before the Board, when it was contemplated to erect a 28-bedded hospital, but a scheme has now been adopted by the Board which provides for 58 beds. The public in this area have expressed their willingness to contribute a substantial sum towards the cost of equipping the hospital, but before they can undertake a strenuous campaign to raise the money it is necessary for the Provincial Administration to approve of the scheme. Of course it is fully realised that it may take three or four years before it will be possible to erect the hospital, but in the meantime if the scheme be approved by the Provincial Administration, the necessary steps can be taken to raise funds for the equipment.

#### **CAPE FLATS COMMITTEE OF ENQUIRY :**

A committee appointed by the Government to enquire into the conditions existing on the Cape Flats and similarly affected districts in the Cape Division has submitted its report—the points which affect the Board's work are being carefully considered by the Hospital Planning Committee.

#### **STREET COLLECTIONS :**

The result of the Street Collections held during 1943 were most satisfactory, and one cannot speak too appreciatively of those who were responsible for obtaining these happy results—the Hospital Saturday Collection (organised by the Women's Hospital Auxiliary) realised £722 3s., and sincere thanks

are due to Mrs. W. H. Brinton (Chairwoman) and Mrs. H. Boehmke (Honorary Secretary), and also to Mrs. P. D. Rousseau and all the nurses and others who assisted. Following precedent of the previous year, a special appeal was made by the Mayoress (Mrs. W. James) in lieu of the Hospital Ball, and the large sum of £1,375 resulted. A sincere vote of thanks was accorded to Mrs. James by the Board.

The Mid-week Collection held on 2nd February of this year realised £741 14s. 9d., and sincere thanks are due to all who assisted in the collection, especially the nurses from the Board's institutions.

### **HOSPITAL PLANNING COMMITTEE :**

This Special Committee of the Board have been busy throughout the year considering various proposals for extending the activities of the Board, including the provision of a Children's Hospital, Radiological Block, Maternity Hospital, Convalescent Hospital and Out-patient Department (Groote Schuur Hospital), additional dispensaries and hospitals in outlying areas, etc. In their deliberations the Special Committee have had in mind the recommendations contained in reports from the Cape Western Branch of the Medical Association on Hospitalisation. The Committee have now concluded their deliberations and are submitting a full report setting out the requirements of the district, together with their suggestions as to the best way in which the needs can be met.

### **FAIRHAVEN WORK PARTY :**

The Board are always anxious to acknowledge voluntary assistance rendered to the hospitals, and were therefore pleased to accede to the request from the President of the Fairhaven Work party (Mrs. K. Dichmont) that, in view of the efforts of the Work Party in the past, a bed should be named at the Groote Schuur Hospital in memory of one of their members, especially as this Organisation has for many years assisted in raising funds for the hospitals.

### **NURSING OF CASES FOUND TO BE SUFFERING FROM TUBERCULOSIS :**

While it is not the function of the Board to treat tuberculosis cases as such, a certain number are admitted to the Board's hospitals, either through faulty diagnosis or because they are suffering from other complaints. Although there has been a certain amount of sickness amongst the nursing staff attached to the wards concerned, I am glad to be able to report that the Medical Subcommittee of the Groote Schuur Hospital have stated that in their opinion the presence of an occasional case of open pulmonary tuberculosis in the general wards constitutes a negligible risk to the nursing staff.

### **MEDALS FOR NURSES :**

A special vote of thanks has been accorded to Captain W. D. Hare for his offer to present annually, in perpetuity, a gold medal to the Probationer Nurse who gains the highest number of marks in the final examinations of the S.A. Medical Council, and a silver medal to the Probationer Nurse who obtains the highest marks in the preliminary examinations. In making the offer to the Board, Captain Hare stated that he desired to commemorate the fact that he had been connected with the Board for nearly 30 years, and that he chose this method of doing so as he has always taken a particular interest in the training of nurses.

### **DIPLOMA IN NURSING :**

The Board provide bursaries to enable trained nurses to take the University Diploma Course in Nursing.

### **ELECTION OF CHAIRMAN AND VICE-CHAIRMAN OF THE BOARD:**

At the first meeting of the newly constituted Board held in January, I had the honour to be once again elected as Chairman of the Board, and Captain Hare, the retiring Chairman, was elected Vice-Chairman.

I should like to pay a tribute to the work which Captain Hare has performed whilst Chairman of the Board for the past three years. This office is no sinecure, as well I know from experience, and he has devoted a great deal of his time and energy to furthering the interests of the Board—the Board owe him a great debt of gratitude. Special thanks are also due to Dr. P. T. Cairns for his valuable services as Vice-chairman during the past three years, which have been of very great assistance in the work of the Board.

#### **CONFERENCE RE SHORTAGE OF TRAINED NURSES :**

As is well known the Board's work has been seriously handicapped since the beginning of the war by the shortage of trained nurses, and as a result of representations made (largely on the initiative of Professor Brown), a conference was held in Pretoria on 16th November, 1943. The conference was convened by the Minister of Welfare and Demobilisation, and was attended by the Administrators of the four Provinces and their Advisers, the D.G.M.S., the Matron-in-Chief of the S.A. Military Nursing Service, representatives from the Board (Captain W. D. Hare, Dr. P. T. Cairns and the Secretary as Technical Adviser), and the Organising Secretary of the S.A. Trained Nurses' Association. A special committee (of which Captain Hare was a member) was appointed to go into the general question of making the nursing profession more attractive, and amongst the matters discussed were improved conditions in training schools, uniformity of salaries throughout the Union, affiliation of small hospitals to large training schools, the institution of an eight hour day, the establishment of Nurses' Colleges. As a result of the deliberations of the committee, there is every reason to hope that considerable improvements will be effected, and the Board have expressed their appreciation of the services rendered by their delegates at the conference, and also to Professor Brown, whose insistence upon the necessity for a discussion between those concerned resulted in the conference being held.

#### **HEAD OFFICE :**

I would like to pay a tribute to the Secretary and Treasurer (Mr. W. P. Holder) for the able manner in which he has dealt with his arduous duties, not only in connection with the head office, but also in supervising the various institutions and organisations under the control of the Board. Mr. Holder assumed office at a very difficult time, principally owing to shortage of staff. The spirit which he has infused into the staff has resulted in practically everything being brought up to date. An atmosphere of loyal co-operation amongst the staff assists very greatly.

#### **ACKNOWLEDGEMENTS :**

The sincere thanks of the Board are due to all who assisted in various ways during the past year, especially to the Women's Hospital Auxiliary Committees ; the Groote Schuur Hospital Association ; the Woodstock Hospital ; Victoria Hospital and False Bay Hospital Associations ; the Woodstock Hospital Assistance Committee ; the Fairhaven Work Party ; the Local Committees of the C.H.B. District Nursing Organisation ; the Milnerton Turf Club, who devoted part of the proceeds of their Annual Charity Meeting to the Hospitals, and the Hospitals Welfare Committee.

In conclusion I would like to voice my thanks to the members of the Honorary Medical Staff (particularly the Honorary Medical Superintendents) for the great amount of voluntary work they perform year after year for the sick poor ; and to all who so loyally supported the Board's efforts during the past year.

(Signed) W. JAMES,

Chairman.

## MEDICAL SUPERINTENDENT'S REPORT FOR 1943

As a result of the shortage of trained nurses the Private Patient's Block was closed at the beginning of the year. It was however possible to retain Ward C 7 as additional accommodation for European medical patients after it was relinquished by the Military Authorities.

### HONORARY VISITING STAFF :

The following members of the Honorary Visiting Staff were on active service during the year :—

Dr. L. Impey ..	..	..	Honorary Gynaecologist.
Dr. M. C. Rous	}	..	Honorary Assistant Surgeons.
Dr. N. Petersen			
Dr. R. L. Forsyth			
Dr. V. Brink			
Dr. G. A. Elliott	}	..	Honorary Assistant Physicians.
Dr. R. Wolff	..	..	Honorary Asst. E.N.T. Surgeon.
Dr. R. L. H. Townsend	..	..	Honorary Asst. Ophthalmic Surgeon.
Dr. R. Lang ..	..	..	Honorary Asst. Dermatologist.
Dr. A. Kipps	..	..	Honorary Asst. Pathologist.
Dr. S. Cohen ..	..	..	Honorary Surgical Registrar.
Dr. L. Blumberg	}	..	Honorary Medical Registrars.
Dr. G. Voigt			
Dr. I. Isaacson			
Dr. P. van Heerden ..	..	..	Honorary Gynaecological Registrar.
Dr. J. D. Wicht	..	..	Honorary E.N.T. Registrar.
Dr. L. Tomory	..	..	Honorary Paediatric Registrar.
Dr. J. Abelsohn	..	..	Honorary Anaesthetist.

As far as was possible their posts were filled on a temporary basis but their absence has thrown an additional burden on the remaining members.

Owing to the prolonged absence on sick leave of Dr. F. Krone, Honorary Dermatologist, Dr. R. Lang was released from Military Service to take his place.

### RESIDENT MEDICAL STAFF :

During the whole of the second half of the year the Senior Resident Anaesthetist post was filled temporarily as no application was received for the permanent post vacated by Dr. J. S. S. van Niekerk, who had so ably filled it for over four years.

### NURSING STAFF :

In spite of retaining the services of several members who had reached the retiring age and employing married sisters and staff nurses the shortage of trained staff was still acute. At the beginning of the year the Private Patient's Block was closed with the intention of utilising the services of the thirteen trained staff employed there for opening the wards on the top floor; within a few months however the ranks of the staff nurses were so depleted that it was only possible to run the existing wards by using 4th year pupil nurses as staff nurses and the project had to be postponed indefinitely.

On the 1st July nursing history was made in South Africa by the inauguration of the block system for pupil nurses. This system enables more nurses to be trained and the record number of 175 pupil nurses were taken in during the year; in addition it is proving a great blessing to both pupil nurse and patient: the former can study and attend lectures free from worrying ward work and the latter can sleep later as the nurses in block come to the aid of the night staff with early morning washings—the bane of the hospital patient the world over.

#### **RADIOLOGICAL DEPARTMENT :**

During the year the department was again hampered in its proper functioning through the difficulty of obtaining replacements. The Chief Radiologist was sent to interview the Director-General of Supplies and it is hoped that his visit will bear fruit in the not too remote future. The quality of the work done maintained the previous high standard. The inadequate accommodation for in-patients was severely felt; this is however only part of the extremely urgent need for adequate accommodation for all types of patients.

Six Pupil Radiographers obtained their M.S.R. Diploma and found employment without difficulty.

The first two post-graduate students to complete the course for a Diploma in Radiology unfortunately both failed to pass the final examination held in November. The three first-year students were all successful in Part I of the examination.

#### **PHYSIO-THERAPEUTIC DEPARTMENT :**

The routine work of this department has been carried out smoothly; but for fever therapy for which there was an increasing demand it was necessary to engage a trained nurse on a daily basis.

#### **DISPENSARY DEPARTMENT :**

Under difficult war-time conditions the Dispensary Manager succeeded in meeting the demands of the medical staff even when at times these demands changed rather rapidly as was instanced in the rise and fall in popularity of individual members of the sulphonamide group.

Throughout the year the department was short-staffed as a result of the low scales of salaries offered; in spite of this the amount of work done showed a great increase on the previous year.

#### **CLINICAL RECORDS DEPARTMENT :**

This department is still struggling along in the cramped quarters.

#### **ALMONER'S DEPARTMENT :**

After being without one for several months an Almoner was appointed but only in a temporary capacity, whilst the issue is being settled whether this department should be a burden of the Hospital Board or of the Department of Social Welfare of the Union Government.

## VOLUNTARY SERVICES

---

### **VOLUNTARY SERVICES :**

The Board acknowledges, with much appreciation, the voluntary services rendered by many organisations and kind supporters. It is impracticable, in a condensed report such as this, to mention them all by name. Certain organisations, however, did so much that even an abridged report would be incomplete unless their names were mentioned.

### **GROOTE SCHUUR HOSPITAL :**

It is a privilege to express thanks to :—

The S.A.W.A.S., Hospital Supply Section and the University Section, for their service in cutting up Hospital dressings and making garments for the patients.

The S.A.W.A.S., St. John V.A.Ds. and the Red Cross V.A.Ds. for their valuable services in assisting the Nursing Staff in the care of patients.

The Women's Hospital Auxiliary for assistance in untold different ways, particularly for babies' garments, hand knitted coats and bootees.

Fairhaven Work Party for supplying gifts of flowers and comforts for patients, including dressing gowns, etc. for the Fairhaven Ward.

Groote Schuur Hospital Association for substantial cash donations and gifts.

U.C.T. Medical Students for gift of a mobile canteen for out-patients and support of Samaritan Fund.

Civilian Protective Services for assistance in numerous ways.

### **VICTORIA HOSPITAL, WYNBERG :**

Women's Hospital Auxiliary, for dressing gowns, childrens' garments and substantial cash donations.

V.A.Ds. of Red Cross Society and St. John Ambulance Association for valuable work in assisting the nursing staff.

S.A.W.A.S. for assistance in the civilian wards.

Victoria Hospital Association for liberal gifts and substantial contributions to the Christmas Cheer Fund.

Sons of England Women's Association (Joseph Chamberlain Branch) for substantial contributions and gifts.

United Tobacco Co. for cigarettes and tobacco.

St. John's Church, Wynberg, for supplies of fruit, flowers and vegetables.

Lutheran Church, Constantia, for flowers, etc.

Nahmania Anglo-Order School Society, Wynberg, for fruit, etc.

Children's Christmas Toy Fund for funds for toys.

Presbyterian Church, Wynberg, for contributions.

### **WOODSTOCK HOSPITAL :**

Woodstock Hospital Association for substantial donations to Christmas Cheer Fund and assistance in numerous other ways.

Woodstock Hospital Assistance Committee for two electric food trolleys, comforts for patients and donations to Christmas Cheer Fund.

Victoria League for gifts of toys and clothing.

Medical Sub-Committee for donations to Nurses' Entertainment Fund.

Hospitals Welfare Committee (Moslem) for providing interpreters of foreign languages at short notice, and assisting in many other ways.

Seamen's Institute for assistance in obtaining accommodation for seamen, discharged from hospital, but still attending as out-patients.

Brookes Lemos, Ltd., for numerous donations of fruit and crystallised fruit.

Staff of O.K. Bazaars, Salt River Branch, for toys, etc.

Woodstock Girl Guides and several Churches, including S.R. Railway Mission and Methodist Church for regular supplies of flowers and eggs, etc.

### **PENINSULA MATERNITY HOSPITAL :**

Peninsula Maternity Association for amenities for patients and staff.

### **FALSE BAY HOSPITAL, SIMONSTOWN :**

False Bay Hospital Association for very substantial donations, equipment and amenities.

### **PRINCESS ALICE HOME OF RECOVERY :**

The Women's Hospital Auxiliary for expensive equipment such as food trolleys, theatre requirements, amenities, etc.

Girl Guides Association, Boy Scouts Association, The Pathfinders, the Wayfarers, for Scout and Guide activities carried out by them, for the benefit of the patients in this Home.

Claremont Jewish Ladies' Society for amenities and assistance in numerous ways.

Moslem Hospital Welfare Committee for regular visits and gifts.

Toc H Charity Bioscope for shows given to the Home once a month.

### **LADY MICHAELIS ORTHOPAEDIC HOME :**

The Pieter Moll Aid Committee for amenities and most generous gifts at Christmas.

Women's Hospital Auxiliary (Lady Michaelis Orthopaedic Home Branch), for garden benches, wireless set, clothing and amenities.

Wynberg Girls' High School (Standard IX) for funds for comforts for the inmates.

The Rotary Club for school desks, sun umbrella, etc.

Toc H Charity Bioscope for shows given to the inmates at regular intervals.

### **DISTRICT NURSING ORGANISATION :**

Local District Nursing Committees, for their unstinting services in collecting subscriptions and donations and assisting the district nurses in their respective areas, in numerous ways.

The Peninsula Ladies' Clothing Guild for generous supplies of clothing, blankets and bed linen.

### **SOMERSET HOSPITAL :**

Moslem Hospital Welfare Committee for gifts to patients.

The Board also acknowledges its gratitude to the following for their sympathetic and unfailing support—The Cape Provincial Administration, All the Local Authorities, The University of Cape Town, The Medical Association of S.A., The Press.
